Mortgage Loans Made Simple And Easy

First-time buyer or fourth: Buying a home is stressful! So many decisions - Cape Cod or Colonial? Split-level or Salt Box? Adequate storage space? Too much yard or not enough? We are with you every step of the way - from offering suggestions on how to bump up your credit score so that you can qualify for the best rate to providing a clear explanation of every piece of paper you sign at the closing. CREDIT UNION VEHICLE LOAN MAY LOWER YOUR RATE

Everyone deserves a second chance. So if you financed your vehicle elsewhere, we'd like to see if we can lower your interest rate with a credit union loan. Or maybe you want to shorten the term in order to pay off your loan earlier, or lengthen it to lower your monthly payments. We want to help you with a loan that fits you like your driving gloves. Contact the credit union to find out just how easy refinancing can be.

And if you're in the market for new wheels, stop by the credit union for a pre-approval. That way you can shop like a cash buyer, getting the vehicle you want. Remember, special financing offers often only apply to less-popular models and "not all buyers will qualify." That means only those with pristine credit are eligible. At the credit union, we'll work with you to put you in the driver's seat.

Holiday CLOSINGS

The credit union will be closed July 4 for Independence Day, and September 4 for Labor Day.
