THANK YOU VOLUNTEERS

Volunteers are vital to First Priority Credit Union's success. These hard-working individuals fulfill a variety of roles including, but not limited to the Board of Directors, Audit Committee and Credit Committee. They help to ensure that our co-op is running smoothly and optimally - for all of this and more, we would like to extend our heartfelt gratitude.

Our group of volunteers are First Priority Credit Union members with their own busy lives and schedules but who recognize and value the existence of a member-owned, member-run financial institution, and so they give freely of their time to maintain and improve it. In addition to time, they donate their knowledge, energy, and skills to help develop ideas, make decisions, and ultimately improve the lives of all of our members as well as the credit union movement at large.

Please join us in thanking our volunteers for their commitment to our CU. Volunteers: please accept our gratitude and keep up the exceptional work!
