## Get Piece-of-Mind with Remote Control Cards

It is unsettling to discover that your debit card or credit card has been compromised and unauthorized transactions have been debited from your account. Prevent fraud and give yourself piece-of-mind by taking control of your debit and credit card with our new, free Remote Control Card service. It is so easy. Just sign into HomeTeller on your PC or laptop, or use our mobile app, then click the menu button and select "Remote Control Cards". Choose from your list of issued cards to select and change your card status to "active", "disabled", "lost" or "stolen". The change will be effective immediately. If you have temporarily misplaced your card, or are unsure of the validity of a transaction, you can disable your card until you resolve the issue. You can even keep your card in disabled status until you wish to use it, then disable it again once the transaction is complete. More control means more piece-of-mind.

## Keep Your Home Safe While On Vacation

Your vacation should be relaxing and worry-free. That's why it's a good idea to prepare your home before you leave on vacation with this checklist. With a little extra vigilance, you can help keep your property and belongings safer while you're gone.

- \* Ask a neighbor to park in your driveway occasionally, so there's activity at your house.
- \* Make sure your lawn stays trimmed, or your driveway is shoveled if it snows.
- \* Stop the newspaper and mail deliveries or ask a trusted neighbor to pick 925157 them up.
- \* Leave your blinds/curtains exactly as they are when you're home.
- \* Beware of social media. Think twice before posting your detailed vacation plans on social media.
- \* Lock all external doors, windows, and the garage.
- \* Put at least one light in your house on a timer.
