We have exciting news! We have added to our field of membership! We have added those who live, work, worship or attend school in Taylor, Nolan, Callahan, Fisher, Jones, Shackelford, Runnels and Coleman Counties. That means that almost everyone in the Big Country area is eligible to join First Priority Credit Union.

Now, you can also share the benefits of belonging to the credit union with your friends and neighbors. 276824 For-profit banks have their shareholders to answer to, but the credit union is a not-for-profit financial cooperative that exists only to serve its members. We answer to you, our shareholders/members.

So please pass the word about the credit union difference. Your family, friends and neighbors will thank you for helping them discover that difference.
